Lily Lake Grade School E-Blast

We have had a great start to the school year at Lily Lake! Thanks to my very supportive staff and an involved group of parents, the children are settling into the routines and expectations inherent in creating a positive school year for everyone. I encourage you to learn more about curriculum and instruction, expectations for learning and behavior, and an overview about Lily Lake culture at . . .

Parent Night! The schedule is as follows:

8/15-Kindergarten and Third Grades 6:00pm

8/20-First and Second Grades 6:00pm

8/22-Fourth and Fifth Grades 6:00pm

We will begin with introductions in the gym and then move to your student's classroom for specific class/grade-level information.

Friday, 8/30 is School Picture Day. All students have their picture taken on this day; parents may choose whether they want to buy the photo. Send your child off with a SMILE!

Please see the important attachment regarding the parent handbook. Signatures are required in Skyward by Wednesday, August 28th.

Ms. Jurs,

Principal

Lily Lake Grade School
